Governor (Maga'hága)

JOSHUA F. TENORIO  
Lt. Governor (Sigundo Maga'láhi)

August 20, 2021

**INVITATION FOR BID - GSA-046-21  
Mobile Radio, 700/800MHz With Light & Siren**

**Questions received from: Motorola Solutions on 8/09/21**

**Question 1:**

1) Please advise on who the GovGuam end user is for this IFB as the GSA advertisement states Guam Police Department, Page 3 of the IFB states Department of Public Health & Social Services, and Page 35 states John Bamba and Chief Ignacio of GPD.

**Response: Amendment will be issued to correct errors in IFB.**

**Question 2:** ( Vehicle Type)

- a. Please advise on the type of vehicle (make, model & year) the equipment is for.
- b. Please advise that the equipment as outlined in the IFB is compatible and correct.

**Response: These radios are for two (2) 2021 Toyota Tacoma 4x4 TRD trucks.**

**Question 3: Specifications**

The specifications indicate the IFB is for two (2) APX6500 mobile radios, but the following specifications need to be clarified.

- a. "Front Display/full FP W/O5/Keypad/Clock/VU": Note this is for an APX Console Radio and not an APX6500 mobile radio and should be deleted.

**Response: Should be a APX6500 Radio**

- b. "Control Station Desk GCAI mic": Note this is for an APX Console Radio and not an APX6500 mobile radio and should be deleted.

**Response: Should be a APX6500 radio**

- c. "AC Line Cord US": Note this is an APX Console Radio and not an APX6500 mobile radio and should be deleted.

**Response: Should be a APX6500 Radio**

d. "Mobile radio and power combination must be intrinsically safe as delivered and certified by Factual Mutual Approvals": This does not apply to APX6500 mobile radios and should be deleted. Intrinsically safe applies to portable radios.

**Response: Amendment will be issued to delete**

e. "Bidder's repair facility must have a current Factory Mutual Approval and be capable of repairing and re-certifying intrinsically safe radios": This does not apply to APX6500 mobile radios and should be deleted. Intrinsically safe applies to portable radios and is now certified and approved through Underwriters Laboratories (UL). **(An amendment will be issued to delete)**

**Response: Amendment will be issued to delete**

**Question 4:**

Due Date: Motorola Solutions is requesting the due date be two (2) weeks from when the questions are answered and/or clarified.

**Response: Request for two (2) week extension will be granted an Amendment will be processed once Questions & Responses are issued.**
